

Preventing Workers' Compensation Fraud

If you are injured on the job, we will take good care of you. Your medical treatment will be paid and you will receive supplemental compensation for lost wages. We will work with you and your doctors to get you healthy and back to work.

Make the right choice!

Workers' comp fraud is a crime. We prosecute all fraud offenders. We employ fraud investigators and conduct surveillance. Penalties may include imprisonment for up to 5 years and fines up to \$150,000.

If you fake
an injury or

report a false workers' comp claim, the
criminal justice system will take care of you.

If you believe you have information or evidence of workers' comp fraud, call Vensure's Loss Control Department. You will remain anonymous. (480) 993-2650
